Hassan:

Following are my comments for CPA 08-09 Future Land Use Map change , Lutz Lake Fern Road and the Suncoast Parkway (Continued from 1st Cycle 2008):

The subject property is located in the area of Tampa Bay Water's Central System Wellfields. As such, future land use activities on the subject property may be restricted pursuant to the county's wellhead protection program.

Should you have any questions, please feel free to contact me.
