

MEMORANDUM

DATE: October 15, 2008

TO: Krista Kelly, Executive Planner

FROM: Bud Whitehead, Transportation Section

RE: CPA 09-01 - Future Land Use Element Text change: Keystone-Odesa Community Plan extraction from boundary.

Staff has reviewed the proposed text changes to the Future Land Use Element.

The proposed amendment, in and of itself, will not change transportation impacts.

If approved and applied to specific parcels of land in the future, the specific transportation impact of that proposal and the surrounding transportation system will be evaluated.
