

MEMORANDUM

TO: Chairman Norman and Members of the Board of County Commissioners

FROM: Ray Chiaramonte, Assistant Executive Director *RAC*

DATE: November 6, 2007

SUBJECT: Addendum to 2nd Cycle 2007 Comprehensive Plan Amendment binder – Transportation Map 25 that illustrates removal of Brandon Bypass as Recommended by the Planning Commission

On September 24, 2007, the Planning Commission held a hearing on the revised Evaluation and Appraisal Report (EAR) – Based Plan Amendments. At that hearing, significant public comment was made regarding the placement of the Brandon Bypass on the Corridor Preservation Plan Map. The Planning Commission recommended that the Brandon Bypass be removed from the Hillsborough County Corridor Preservation Map until the issue could be studied further.

The version of the map that was presented to the Planning Commission was included in the packet you already received. The attachments reflect the Planning Commission's recommended change to the Hillsborough County Corridor Preservation Plan Map and associated Appendix G table.

If you have any questions, please call me at 273-3774, ext. 316.
